#### Cured After Eight Years of Suffering.

I have been in very poor health for eight years' time, and, although I took medicines and treatments during this entire period, nothing seemed to do me any good. Last July I was taken down with a very bad spell that I thought was surely the beginning of the end. I was sick to my stomach and everything seemed to be going around me at the rate of about sixty miles a minute. I vomited; a clammy sweat broke out all over and it seemed as though I were dying. We called in a good doctor, who diagnosed my case as Vertigo. This spell lasted for four hours. All of the doctor's medicines disagreed with me, making me very sick to my stomach and in a week I had another spell worse than the first. Thereafter these spells came on me as often as two or three times a week and would last from eighteen to twenty-four hours, growing more frequent and of longer duration as time went on. I saw the Vitæ-Ore advertisement and wrote immediately for a month's trial treatment. I commenced improving slowly, but enough to show me at the end of the trial time that Vitæ-Ore was doing me a great amount of good, and I paid for the trial treatment and ordered more. I am still using Vitæ-Ore, having nearly finished the third package and am constantly improving. I must say I am cured of almost all my troubles and I think that I shall very soon be entirely sound and well a remarkable thing at my age, which is now sixty-five. I believe that Vitæ-Ore has saved my life, and I shall ever praise the Theo. Noel Company and this wonderful remedy.

#### Was a Physical Wreck.

MEDOC, N. C.  
I have been using Vitæ-Ore for several months and have found it greatly to my benefit. When I commenced taking it I was really a physical wreck, could eat nothing without great pain and suffered when I did not eat with cramps and the pain in the kidneys known as "Kidney Colic." At different times I was treated by six different doctors and they could not help me. My weight before beginning the Vitæ-Ore treatment was only 125 pounds; now I weigh 163 pounds. I could not walk any distance but can now walk anywhere and I can work every day, chopping and grubbing.

#### A Gratifying Result.

CHABARA, N. C.  
A package of Vitæ-Ore cured me of Rheumatism and also the whiskey habit. I was a most reckless drinker; am now 56 years old; had been a drinker since the age of 16. In my late years I have averaged one-half gallon of whiskey per day for months. I thought I would die a drunkard and often wished to die to get clear of drinking. I can truthfully say I am again a sober man and do not take a drink or even want one since I took Vitæ-Ore, although I have been in bars where it is sold. I give Vitæ-Ore the credit for it all and cannot say enough in its praise.
